The contract price shall be increased by the amount of any after-imposed ISO/RTO charge (with no mark up), provided the Contractor warrants in writing that no amount for such newly after-imposed ISO/RTO charge was included in the contract price, as a contingency reserve or otherwise.

(c) **After-relieved ISO/RTO charges**, as used in this clause, means any amount of ISO/RTO charges, subject to regulation, that would otherwise have been payable on the transactions or property covered by this contract but which the Contractor is not required to pay or bear, or for which the Contractor obtains a refund or drawback as the result of legislative, judicial or administrative action taking effect after the contract date. The contract price shall be decreased by the amount of any after-relieved ISO/RTO charges.
